

# Sketching My Datastory

---

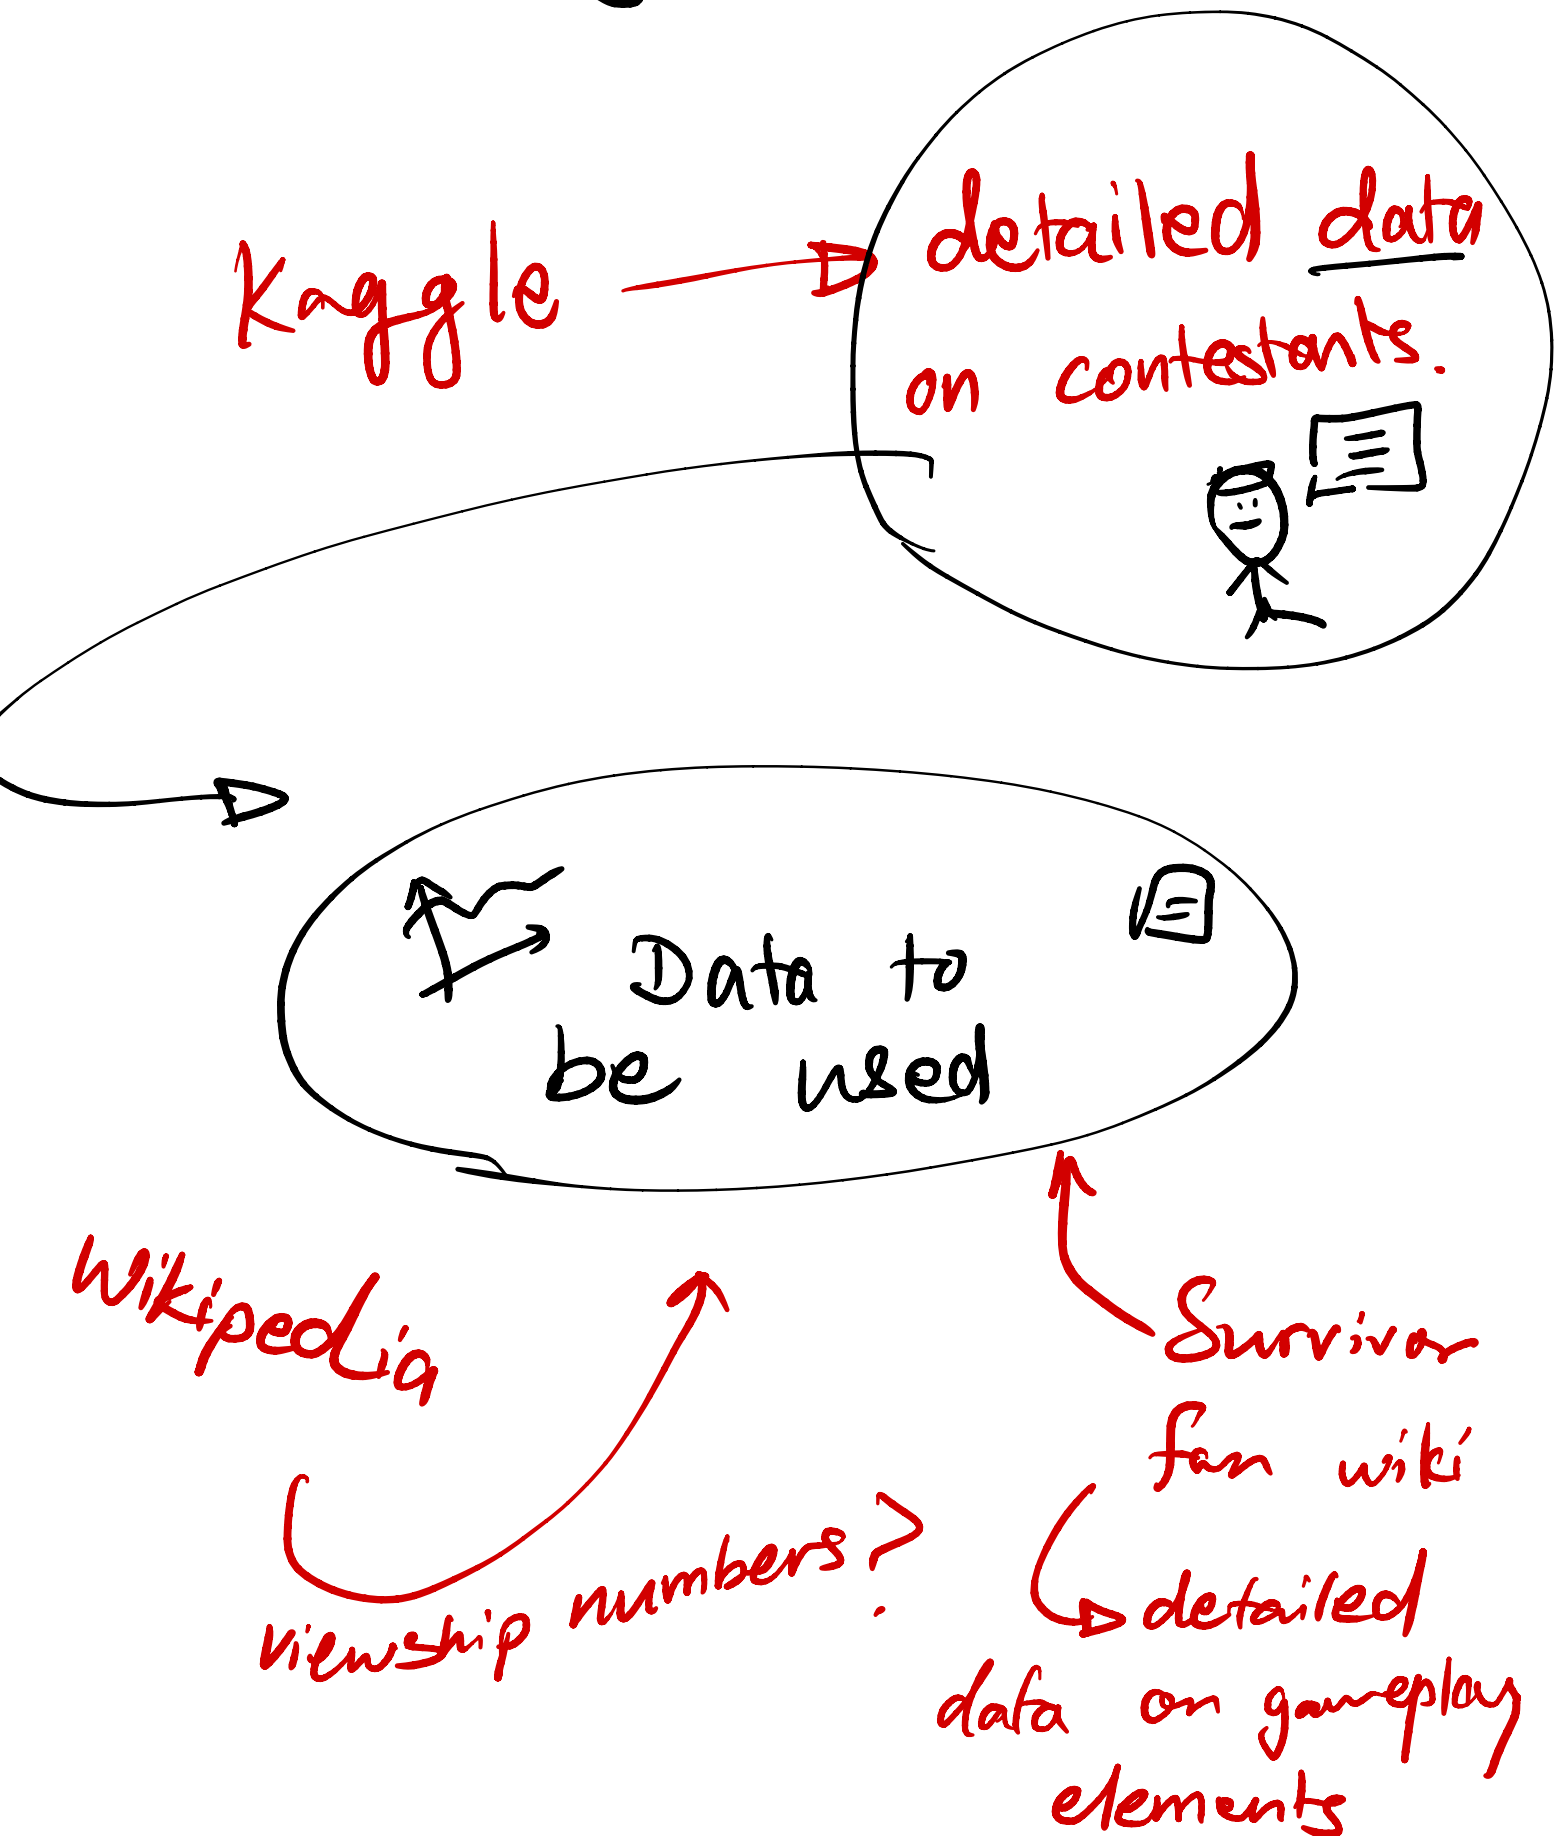

## □ Problem

We need to find out  
data on trends of Survivor's gameplay  
in order to  
understand how Survivor (TV-show)  
have changed throughout  
its 23 (and counting) years run

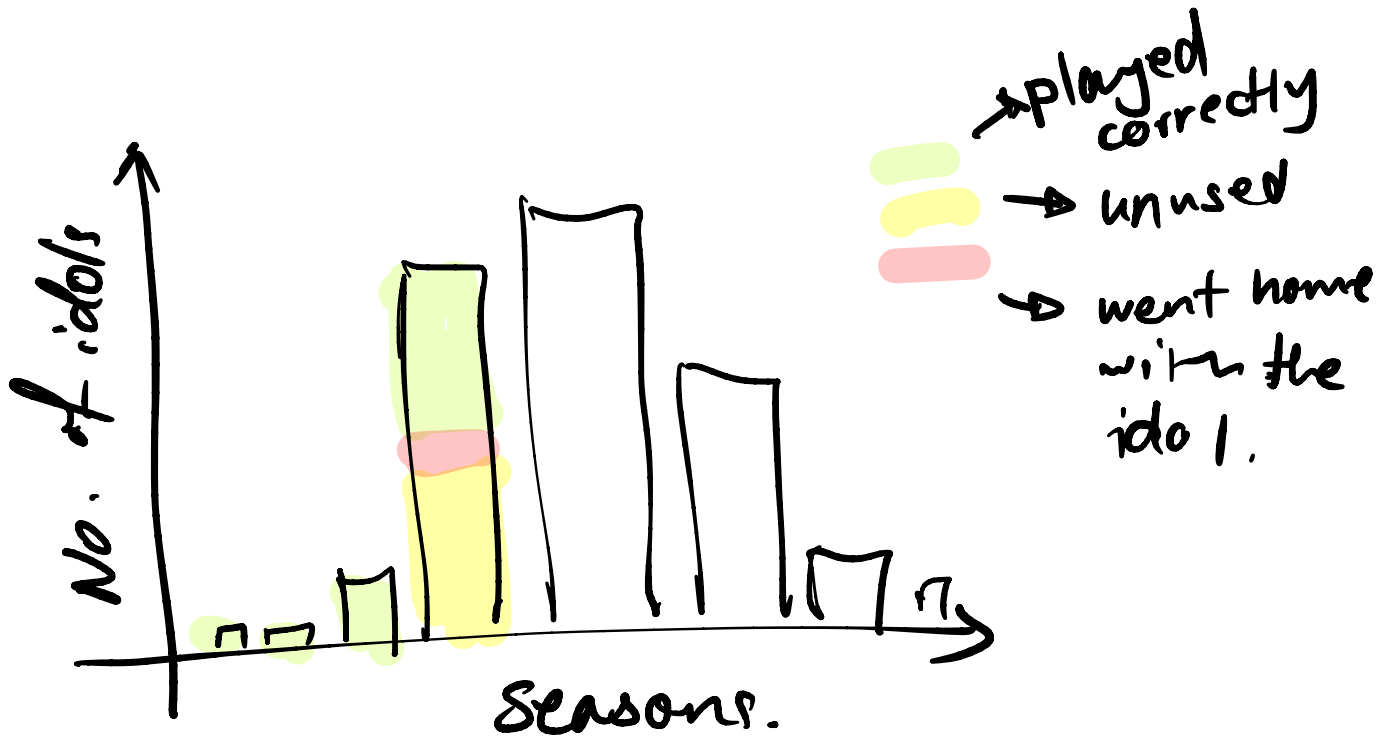

## 2 Statement → Question.

How has the data of the Survivor  
show narratives the changing  
gameplay & complexity of the show?

### 3 Finding Data

## 4 Visualize

types of challenges?
